Review: Time is short and we need to be all-in, focused on our walk with the Lord and being a part of sharing the gospel.

Intro: Our Commission: Mat 28:16-20: The “big ask”

Key Point: It is time for us to get out of the 4 walls of this church together, to go, evangelize, teach, and train. We will do this through evangelistic Bible studies. Ministry is an open Bible!

Evangelical Bible studies _____ the Local church into our communities. (Go...); And make owning the mission _____ and _____ (ye...). Their design makes “_____” the fruit possible and practical. (teach...); And provides the structure for _____ growing leaders & _____ established leaders. (teach...).

LW Bible Studies:

1. There are 2 types of LW Bible Studies:
 - A. Personal “Coffee Shop” Bible Studies.
 - B. Official LW Group Bible Studies.

2. Discussion: Keys to prioritize:
 - A. Do not underestimate the importance of our LW Evangelical Bible studies strategically.
 - B. Do not overcommit. Capacity differs.
 - C. It is okay to make a LW Bible Study your main service/ministry.
 - D. If you cannot do both a Bible study and discipleship at the same time, do discipleship first, then transition to a LW Bible Study.
 - E. Streamline your life so as to live less encumbered.
 - F. Being a _____ member of a LW Bible study is immeasurably better than being a _____-member.
